<http://www.mass.gov/eea/agencies/massdep/news/advisory-committees/waste-site-cleanup-program-advisory-committee.html>
- List now includes
 - Changes held over from the 2014 amendments process (PCE standard change, toxicity value hierarchy)
 - Changes identified over the course of implementing 2014 amendments and related guidance
 - More recent suggestions

Discussion Draft - List of Potential Amendments

- Includes some major proposals as well as minor minor housekeeping items
- List is preliminary, a work in progress – items likely to be added and dropped

Timeframe for Amendments –

- Continue process of developing topics list and proposals over Spring and Summer
- Public hearing draft in Fall 2016

Today's Discussion

- Gather initial input/answer questions on the preliminary list
 - What do you see as the bigger issues?
 - Initial thoughts, concerns, implications of changes to consider?
- Identify topics for separate discussions to further evaluate and/or develop proposals
